

**A MAN AMONG MEN, AND  
A DOG AMONG DOGS.**

In the August American Magazine Will Irwin writes a wonderful true dog story entitled "Togo, Mayor of Scituate—Being the Chronicles of a Warrior and Gentleman." Togo is a remarkable dog living in Massachusetts, and Irwin presents an accurate picture of him. He speaks of Togo's "full glance" that always arrests attention. He says that this glance of his "has 'punch' in it, as we say in our modern American slang." Then he goes on:

"One gets the same impression of a somebody from a few able human perages of this generation. No one ever receives a full glance from Roosevelt, for example, without realizing that here is a man. Just so, no one with an ounce of discrimination can look Togo full in the face without realizing that here is a dog among dogs."

**SCIENTIFIC MANAGEMENT  
AMONG BURGLARS.**

In the August American Magazine appears another Boston Blackie story written by Number 6606, a penitentiary convict in the far West. Boston Blackie is a burglar of superior intelligence and interest. Following is a brief comment on his character taken from the story of him in the current number:

"Blackie was a crook who reduced everything to simple arithmetic. For a one-thousand-dollar job he took a certain amount of risk, for ten thousand dollars exactly ten times that risk. But if the trick involved ten times the unit of danger and promised but nine times the money, it was abandoned."

When a woman stops a man on the street and he doesn't tip his hat to her and he acts as though he was ashamed to be seen with her, it is his wife.

**MOONLIGHT SCHOOLS IN HARDIN**

Hardin County is in the midst of a great educational revival. A week's campaign, with speaking in every school house, has been waged, and Moonlight Schools are to be opened soon, fifty teachers having volunteered to teach them following an eloquent address and appeal by Mr. Harry A. Sommers. The Hardin County Board of Education has the distinction of being the first in the State to offer a prize to the teacher who teaches the largest number of illiterates. The Women's Club of Elizabethtown offers the same amount for the same purpose, and is the first Woman's Club in the State to offer such a prize. Supt. Payne, of Hardin County, the Hardin County Board of Education, Hardin County Public School Teachers, the Woman's Club of Elizabethtown, and Col. Harry A. Sommers and the Elizabethtown News are all banded together to wipe illiteracy out of Hardin. It has not a chance to exist in that county.

**LINCOLN COUNTY  
FIGHTING ILLITERACY.**

Lincoln County, which wrote a brilliant page in Kentucky's history through its representative in the last General Assembly, Hon. Shelton M. Saulsby, who championed bill creating the Kentucky Illiteracy Commission, has written another. Superintendent Garland Singleton and forty-six of his teachers have volunteered to teach moonlight schools to wipe out illiteracy.

The Stanford Interior Journal and the people of Lincoln County are backing these volunteers enthusiastically.

**EVERY SCHOOL IN MONTGOMERY  
A MOONLIGHT SCHOOL.**

Montgomery is the first county to have every teacher, both white and colored, to pledge themselves to conduct Moonlight Schools. Also, Supt. Georgia Sledd, former Supt. M. G. Goodwin and Supervisor O'Rear have enlisted. The Moonlight Schools of Montgomery County will begin in September, and the teachers will canvass their districts on Labor Day to secure large attendance.

**REV. FRANK CHEEK ONCE  
LICKED EDITOR OF LEADER**

"The Rev. Frank J. Cheek, of Danville, was a caller at The Leader office yesterday evening. A good many years ago Mr. Cheek was a most efficient teacher and on one occasion he made quite a decided impression upon a certain member of The Leader staff, who was about as unresponsive a piece of clay as any pedagogue ever wasted his time upon."—[Lexington Leader.]

**BEST DIARRHOEA REMEDY.**

If you have ever used Chamberlain's Colic, Cholera and Diarrhoea Remedy you know that it is a success. Sam F. Guin, Whatley, Ala., writes, "I had measles and got caught out in the rain and it settled in my stomach and bowels. I had an awful time, and had it not been for Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not possibly have lived but a few hours longer, but thanks to this remedy, I am now well and strong." For sale by all dealers. (adv-july)

**OIL VERSUS WATERED.**

Oiled streets will be more popular every year. The old fashioned system of watering the streets has always resulted in dust and mud constituting alternate annoyance. One household makes a lullaby in front of his lot. Another neglects the matter wholly. A vehicle goes through deep dust and then through mud that splashes all over it. Street watering by individual enterprise is about as ineffective as street lighting would be upon the same plan. Well oiled streets save a great deal in damage to vehicles, clothing, flowers and interior and exterior house decorations.

**CURED OF INDIGESTION.**

Mrs. Sadie P. Clawson, Indiana, Pa., was bothered with indigestion. "My stomach pained me night and day," she writes. "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlain's Tablets and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers. (adv-july)

**KENTUCKIANS ASK FUNDS FOR  
SCHOOLS IN MOUNTAINS.**

Miss Newman and Miss De Long, teachers in the training school at Hindman, arrived at Washington, Friday, to obtain funds for that institution. They called on Senator Camden and Representative Slemo, of Virginia, both of whom are interested in the work the young women are doing to educate the children in the mountains of Eastern Kentucky. Miss Newman and Miss De Long explained to friends that unless they raised \$4,500 within the next few weeks a part of the school property at Hindman will be forfeited. They are confident that they will obtain sufficient funds to enable the school to continue its work without any financial handicap.

When a man figures that the Heathens abroad haven't any Woman Suffrage, Prohibition or Politics to worry over he wonders why they don't send missionaries to the Heathens in this country.

**MR. TALBOTT HONORED.**

Mr. Thomas Talbott, formerly of Paris, Sunday School Missionary of the West Lexington Presbytery, was unanimously elected Superintendent of Home Missions of the Presbytery held in Lexington a few days ago. Mr. Talbott will continue in the Sunday School work, however, and the new position will only increase his labors. Mr. Talbott is now arranging to hold a Sunday School Institute at Jackson, Breathitt County, August 18-20. He will also hold an all-day institute at Springfield church, in Bath County, Thursday, August 6.

The reason why a lot of girls pose around on dry land at the bathing beaches is because their complexions are waterproof, but their bathing suits are not.

**Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.**

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite.
